INDEPENDENT AUDITOR'S REPORT

To,

The Party leader/General Secretary/Treasurer,
KERALA CONGRESS(JACOB)
State committee office:
Ward XIII, Building 346, T.B Road, Kottayam-686001, Kerala.

Report on the financial statements

I have audited the attached Balance Sheet of **KERALA CONGRESS(JACOB)** (hereinafter referred to as the party), as at **31st March 2022**, and also the Income and Expenditure Account, Cash Flow Statement for the year ended on that date annexed thereto including notes to the Financial Statements and other explanatory information [hereinafter referred to as "the Financial Statements"].

Management's responsibility for the financial statements

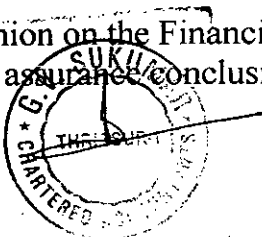

These financial statements are the responsibility of the Political Party's managing committee. The Political Party's managing committee is responsible for the matters stated in financial statements with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the political party in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the applicable Acts, regulations and Rules for safeguarding the assets of the political party and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. Thus, management is also responsible for overseeing the entity's financial reporting process.

Information Other than the Financial Statements and Auditor's Report Thereon

The management is responsible for the other information. The other information comprises any information but does not include the Financial Statements and auditor's report thereon.

My opinion on the Financial Statements does not cover the other information and I do not express any form of assurance/conclusion thereon.

CA. SUKUMAR GV, Bsc, FCA,
CHARTERED ACCOUNTANT

Mob-8921428006, MOB:9388554105

In connection with my audit of the Financial Statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

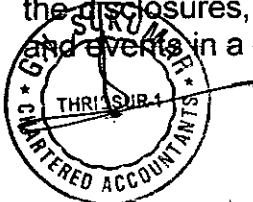

If based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

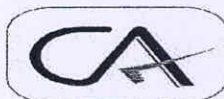

Auditors' responsibility

My objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

Mob-8921428006, MOB:9388554105

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. I consider quantitative materiality and qualitative factors in

- (i) Planning the scope of my audit work and in evaluating the results of my work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Qualified Opinion

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section below, In my opinion, and to the best of my information and according to the explanations given to me, the said financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Political Party as at **31st March 2022**;
- b) in the case of the Income and Expenditure Account, of the Surplus/ (Deficit) year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis of qualified opinion

- Since the audit report and audited financial statements for the financial year 2016-17 are not available for verification, I am unable to comment anything on the genuineness or authenticity of the opening balances or figures in the financial statements for the financial year 2017-18.
- Some of the income and expenses are materially supported by internal vouchers/bills.

- The Physical verification of Fixed assets, stock, and Cash in hand has not been done by me. In respect of their balance as on 31st March 2022, I have relied on their balances as reflected in the books of accounts of the party.

Emphasis of matter

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no matters to communicate under this para in my report except the following.

- Refer to Clause 11 of the significant accounting policies attached with the financial statements.

My report is not qualified in respect of the above matters.

Other matters

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no other matters to communicate under this para in my report.

Report on Other Legal and Regulatory Requirements

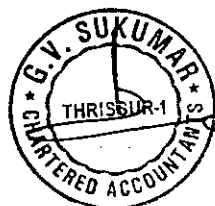

Further, Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I report that:

- I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purposes of my audit;
- In my opinion, proper books of account have been kept by the Political Party so far as appears from my examination of those books (~~and proper returns adequate for the purposes of my audit have been received from the branches not visited by me~~);
- The financial statements dealt with by this report are in agreement with the books of account.

GENERAL INFORMATION ABOUT THE PARTY.

Kerala Congress (Jacob) is a regional political party in the Indian state of Kerala. It is a faction of Kerala Congress founded by the former minister the late T. M. Jacob who has held portfolios like Education, Irrigation, Culture and Civil Supplies in the Kerala Legislative Assembly.

FORMATION OF THE PARTY

The Kerala Congress (Jacob) faction was born in 1993 when T. M. Jacob and his supporting MLAs – Johnny Nellore, Mathew Stephen and P. M. Mathew – decided to split from the Kerala Congress (M) party led by former Minister K. M. Mani following difference of opinion. P. M. Mathew and Mathew Stephen later returned to their former party, Kerala Congress (M). Kerala Congress (Jacob) has its strongholds in the eastern part of Ernakulam district, such as Piravom, Kothamangalam and Kuthattukulam, and in certain areas in the Alappuzha, and Trivandrum districts. Johnny Nellore and a few members left the party on March 7, 2020 and joined the Joseph group. After Johnny Nellore's exit, Vakkanad Radhakrishnan[3] was elected as the new Chairman of Kerala Congress (J) in the party meeting that was held on June 26, 2020 at Kottayam.

HISTORY OF THE PARTY

From its inception on 16 December 1993, Kerala Congress (Jacob) was an alliance member of the Indian National Congress-led United Democratic Front (India) (UDF). In 2005, K.C.(Jacob) left the UDF following differences with the new Chief Minister, Oommen Chandy, and dissolved into the newly formed Democratic Indira Congress (Karunakaran) party led by former Chief Minister K. Karunakaran. DIC (Karunakaran) had been widely expected to forge an alliance with LDF for the 2006 assembly elections but instead it entered into an understanding with UDF. Both T. M. Jacob and Nellore lost in the elections, from Piravom and Muvattupuzha constituencies respectively. In 2006 September, following differences with the party President K. Muraleedharan, son of K. Karunakaran, T. M. Jacob and his supporters split from DIC(Karunakaran) and revived the Kerala Congress (Jacob) party. They were welcomed back by the Congress-led UDF after a period of hesitation. In 2011 Kerala Legislative Assembly elections, T. M. Jacob reclaimed his MLA status from Piravom by defeating M. J. Jacob of the LDF. However, the party's other candidate, Nellore, lost the election in the Angamaly constituency to Jose Thettayil of the LDF. T. M. Jacob became a minister in the newly elected UDF Ministry led by Oommen Chandy, handling the Food & Civil Supplies portfolio. T. M. Jacob died on 30 October 2011. Following this, his son, Anoop Jacob, who had been State President of Kerala Youth Front (Jacob), was nominated by the party and UDF to contest the Piravom assembly seat, earlier represented by his father. He won the by-election by a margin of 12070 votes, defeating M. J. Jacob. The results were out on 21 March 2012. UDF has announced that Anoop will be made a Cabinet Minister.

9. Uses of estimates:

The presentation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities as on the date of financial statements. The estimates and assumptions used in the financial statements are based upon the management believes that the estimates use in the preparation of the financial statements are prudent and reasonable. Although these estimates are based on the managements best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period.

10. Provision for taxation & deferred tax reported for the period:

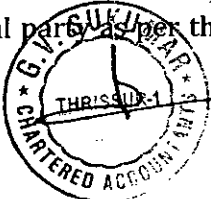

Provision for Taxation is made on the basis of the estimated tax liability with adjustment for deferred tax in terms Accounting Standard 22 issued by the Institute of Chartered Accountants of India. Deferred tax is recognized on timing difference, being the difference between the taxable income and accounting income that originate in one period and being capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rate and the tax laws enacted or subsequently enacted as at the reporting date. Deferred tax liabilities/(assets) are recognized for all timing differences. Deferred tax asset in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets and liabilities are offset if such terms relate to taxes on income levied by the governing tax laws and the Party has a legally enforceable right for such set off.

11. CONTINGENT LIABILITY NOT ACKNOWLEDGED AS DEBT:

During the period under reporting, Party has not reported any contingent liability, which is not acknowledged as debt except for the following.

- The Permanent Account Number (PAN) under section 139 of the Income Tax Act 1961 has not been allotted to the party. Therefore, the return of income under sub-section (4A) of section 139 of the income tax Act 1961 is still pending to be submitted or filed.

The above-mentioned non-compliances may trigger or attract penal and prosecution actions against the political party as per the relevant provisions of the income tax Act 1961 and or The Representation of the

INDEPENDENT AUDITOR'S REPORT

To,

The Party leader/General Secretary/Treasurer,
KERALA CONGRESS(JACOB)
State committee office:
Ward XIII, Building 346, T.B Road, Kottayam-686001, Kerala.

Report on the financial statements

I have audited the attached Balance Sheet of **KERALA CONGRESS(JACOB)** (hereinafter referred to as the party), as at **31st March 2021**, and also the Income and Expenditure Account, Cash Flow Statement for the year ended on that date annexed thereto including notes to the Financial Statements and other explanatory information [hereinafter referred to as "the Financial Statements".

Management's responsibility for the financial statements

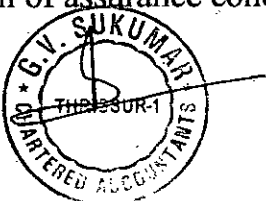

These financial statements are the responsibility of the Political Party's managing committee. The Political Party's managing committee is responsible for the matters stated in financial statements with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the political party in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the applicable Acts, regulations and Rules for safeguarding the assets of the political party and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

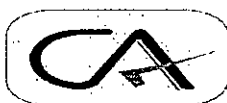

In preparing the financial statements, management is responsible for assessing the entities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. Thus, management is also responsible for overseeing the entity's financial reporting process.

Information Other than the Financial Statements and Auditor's Report Thereon

The management is responsible for the other information. The other information comprises any information but does not include the Financial Statements and auditor's report thereon.

My opinion on the Financial Statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the Financial Statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

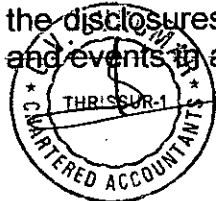

If based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Auditors' responsibility

My objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. I consider quantitative materiality and qualitative factors in

- (i) Planning the scope of my audit work and in evaluating the results of my work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Qualified Opinion

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section below, in my opinion, and to the best of my information and according to the explanations given to me, the said financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Political Party as at **31st March 2021**;
- b) in the case of the Income and Expenditure Account, of the Surplus/ (Deficit) year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis of qualified opinion

- Since the audit report and audited financial statements for the financial year 2016-17 are not available for verification, I am unable to comment anything on the genuineness or authenticity of the opening balances or figures in the financial statements for the financial year 2017-18.
- Some of the income and expenses are materially supported by internal vouchers/bills.

- The Physical verification of Fixed assets, stock, and Cash in hand has not been done by me. In respect of their balance as on 31st March 2021, I have relied on their balances as reflected in the books of accounts of the party.

Emphasis of matter

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no matters to communicate under this para in my report except the following.

- Refer to Clause 11 of the significant accounting policies attached with the financial statements.

My report is not qualified in respect of the above matters.

Other matters

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no other matters to communicate under this para in my report.

Report on Other Legal and Regulatory Requirements

Further, Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I report that:

- I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purposes of my audit;
- In my opinion, proper books of account have been kept by the Political Party so far as appears from my examination of those books (~~and proper returns adequate for the purposes of my audit have been received from the branches not visited by me~~);
- The financial statements dealt with by this report are in agreement with the books of account.

GENERAL INFORMATION ABOUT THE PARTY.

Kerala Congress (Jacob) is a regional political party in the Indian state of Kerala. It is a faction of Kerala Congress founded by the former minister the late T. M. Jacob who has held portfolios like Education, Irrigation, Culture and Civil Supplies in the Kerala Legislative Assembly.

FORMATION OF THE PARTY

The Kerala Congress (Jacob) faction was born in 1993 when T. M. Jacob and his supporting MLAs – Johnny Nellore, Mathew Stephen and P. M. Mathew – decided to split from the Kerala Congress (M) party led by former Minister K. M. Mani following difference of opinion. P. M. Mathew and Mathew Stephen later returned to their former party, Kerala Congress (M). Kerala Congress (Jacob) has its strongholds in the eastern part of Ernakulam district, such as Piravom, Kothamangalam and Kuthattukulam, and in certain areas in the Alappuzha, and Trivandrum districts. Johnny Nellore and a few members left the party on March 7, 2020 and joined the Joseph group. After Johnny Nellore's exit, Vakkanad Radhakrishnan[3] was elected as the new Chairman of Kerala Congress (J) in the party meeting that was held on June 26, 2020 at Kottayam.

HISTORY OF THE PARTY

From its inception on 16 December 1993, Kerala Congress (Jacob) was an alliance member of the Indian National Congress-led United Democratic Front (India) (UDF). In 2005, K.C.(Jacob) left the UDF following differences with the new Chief Minister, Oommen Chandy, and dissolved into the newly formed Democratic Indira Congress (Karunakaran) party led by former Chief Minister K. Karunakaran. DIC (Karunakaran) had been widely expected to forge an alliance with LDF for the 2006 assembly elections but instead it entered into an understanding with UDF. Both T. M. Jacob and Nellore lost in the elections, from Piravom and Muvattupuzha constituencies respectively. In 2006 September, following differences with the party President K. Muraleedharan, son of K. Karunakaran, T. M. Jacob and his supporters split from DIC(Karunakaran) and revived the Kerala Congress (Jacob) party. They were welcomed back by the Congress-led UDF after a period of hesitation. In 2011 Kerala Legislative Assembly elections, T. M. Jacob reclaimed his MLA status from Piravom by defeating M. J. Jacob of the LDF. However, the party's other candidate, Nellore, lost the election in the Angamaly constituency to Jose Thettayil of the LDF. T. M. Jacob became a minister in the newly elected UDF Ministry led by Oommen Chandy, handling the Food & Civil Supplies portfolio. T. M. Jacob died on 30 October 2011. Following this, his son, Anoop Jacob, who had been State President of Kerala Youth Front (Jacob), was nominated by the party and UDF to contest the Piravom assembly seat, earlier represented by his father. He won the by-election by a margin of 12070 votes, defeating M. J. Jacob. The results were out on 21 March 2012. UDF has announced that Anoop will be made a Cabinet Minister.

(c) for management services	: NIL
(d) for other services	: NIL
(e) for reimbursement of expense	: NIL

9. Uses of estimates:

The presentation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities as on the date of financial statements. The estimates and assumptions used in the financial statements are based upon the management believes that the estimates use in the preparation of the financial statements are prudent and reasonable. Although these estimates are based on the managements best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period.

10. Provision for taxation & deferred tax reported for the period:

Provision for Taxation is made on the basis of the estimated tax liability with adjustment for deferred tax in terms Accounting Standard 22 issued by the Institute of Chartered Accountants of India. Deferred tax is recognized on timing difference, being the difference between the taxable income and accounting income that originate in one period and being capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rate and the tax laws enacted or subsequently enacted as at the reporting date. Deferred tax liabilities/(assets) are recognized for all timing differences. Deferred tax asset in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets and liabilities are offset if such terms relate to taxes on income levied by the governing tax laws and the Party has a legally enforceable right for such set off.

11. CONTINGENT LIABILITY NOT ACKNOWLEDGED AS DEBT:

During the period under reporting, Party has not reported any contingent liability, which is not acknowledged as debt except for the following.

- The Permanent Account Number (PAN) under section 139 of the Income-tax Act, 1961 has not been allotted to the party. Therefore, the return of income under sub-section (4A) of section 139 of the income tax Act 1961 is still pending to be submitted or filed.

INDEPENDENT AUDITOR'S REPORT

To,

The Party leader/General Secretary/Treasurer,
KERALA CONGRESS(JACOB)
State committee office:
Ward XIII, Building 346, T.B Road, Kottayam-686001, Kerala.

Report on the financial statements

I have audited the attached Balance Sheet of **KERALA CONGRESS(JACOB)** (hereinafter referred to as the party), as at **31st March 2020**, and also the Income and Expenditure Account, Cash Flow Statement for the year ended on that date annexed thereto including notes to the Financial Statements and other explanatory information [hereinafter referred to as "the Financial Statements".

Management's responsibility for the financial statements

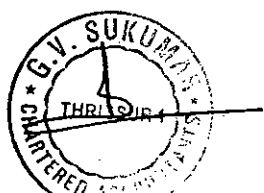

These financial statements are the responsibility of the Political Party's managing committee. The Political Party's managing committee is responsible for the matters stated in financial statements with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the political party in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the applicable Acts, regulations and Rules for safeguarding the assets of the political party and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. Thus, management is also responsible for overseeing the entity's financial reporting process.

Information Other than the Financial Statements and Auditor's Report Thereon

The management is responsible for the other information. The other information comprises any information but does not include the Financial Statements and auditor's report thereon.

My opinion on the Financial Statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the Financial Statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

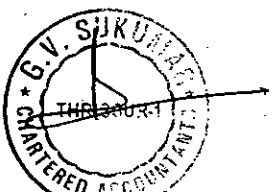

If based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Auditors' responsibility

My objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

Mob-8921428006, MOB:9388554105

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. I consider quantitative materiality and qualitative factors in

- (i) Planning the scope of my audit work and in evaluating the results of my work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

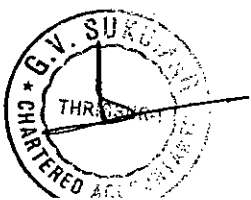

Qualified Opinion

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section below, In my opinion, and to the best of my information and according to the explanations given to me, the said financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Political Party as at **31st March 2020**;
- b) in the case of the Income and Expenditure Account, of the Surplus/ (Deficit) year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis of qualified opinion

- Since the audit report and audited financial statements for the financial year 2016-17 are not available for verification, I am unable to comment anything on the genuineness or authenticity of the opening balances or figures in the financial statements for the financial year 2017-18.
- Some of the income and expenses are materially supported by internal vouchers/bills.

- The Physical verification of Fixed assets, stock, and Cash in hand has not been done by me. In respect of their balance as on 31st March 2020, I have relied on their balances as reflected in the books of accounts of the party.

Emphasis of matter

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no matters to communicate under this para in my report except the following.

- Refer to Clause 11 of the significant accounting policies attached with the financial statements.

My report is not qualified in respect of the above matters.

Other matters

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no other matters to communicate under this para in my report.

Report on Other Legal and Regulatory Requirements

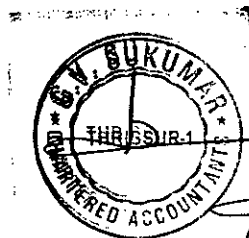

Further, Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I report that:

- I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purposes of my audit;
- In my opinion, proper books of account have been kept by the Political Party so far as appears from my examination of those books ~~(and proper returns adequate for the purposes of my audit have been received from the branches not visited by me);~~
- The financial statements dealt with by this report are in agreement with the books of account.

GENERAL INFORMATION ABOUT THE PARTY.

Kerala Congress (Jacob) is a regional political party in the Indian state of Kerala. It is a faction of Kerala Congress founded by the former minister the late T. M. Jacob who has held portfolios like Education, Irrigation, Culture and Civil Supplies in the Kerala Legislative Assembly.

FORMATION OF THE PARTY

The Kerala Congress (Jacob) faction was born in 1993 when T. M. Jacob and his supporting MLAs – Johnny Nellore, Mathew Stephen and P. M. Mathew – decided to split from the Kerala Congress (M) party led by former Minister K. M. Mani following difference of opinion. P. M. Mathew and Mathew Stephen later returned to their former party, Kerala Congress (M). Kerala Congress (Jacob) has its strongholds in the eastern part of Ernakulam district, such as Piravom, Kothamangalam and Kuthattukulam, and in certain areas in the Alappuzha, and Trivandrum districts. Johnny Nellore and a few members left the party on March 7, 2020 and joined the Joseph group. After Johnny Nellore's exit, Vakkanad Radhakrishnan[3] was elected as the new Chairman of Kerala Congress (J) in the party meeting that was held on June 26, 2020 at Kottayam.

HISTORY OF THE PARTY

From its inception on 16 December 1993, Kerala Congress (Jacob) was an alliance member of the Indian National Congress-led United Democratic Front (India) (UDF). In 2005, K.C.(Jacob) left the UDF following differences with the new Chief Minister, Oommen Chandy, and dissolved into the newly formed Democratic Indira Congress (Karunakaran) party led by former Chief Minister K. Karunakaran. DIC (Karunakaran) had been widely expected to forge an alliance with LDF for the 2006 assembly elections but instead it entered into an understanding with UDF. Both T. M. Jacob and Nellore lost in the elections, from Piravom and Muvattupuzha constituencies respectively. In 2006 September, following differences with the party President K. Muraleedharan, son of K. Karunakaran, T. M. Jacob and his supporters split from DIC(Karunakaran) and revived the Kerala Congress (Jacob) party. They were welcomed back by the Congress-led UDF after a period of hesitation. In 2011 Kerala Legislative Assembly elections, T. M. Jacob reclaimed his MLA status from Piravom by defeating M. J. Jacob of the LDF. However, the party's other candidate, Nellore, lost the election in the Angamaly constituency to Jose Thettayil of the LDF. T. M. Jacob became a minister in the newly elected UDF Ministry led by Oommen Chandy, handling the Food & Civil Supplies portfolio. T. M. Jacob died on 30 October 2011. Following this, his son, Anoop Jacob, who had been State President of Kerala Youth Front (Jacob), was nominated by the party and UDF to contest the Piravom assembly seat, earlier represented by his father. He won the by-election by a margin of 12070 votes, defeating M. J. Jacob. The results were out on 21 March 2012. UDF has announced that Anoop will be made a Cabinet Minister.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORM INTEGRAL PART OF THE ACCOUNTS.

1.Basis of Accounting:

The accounts are prepared on accrual basis under the historical cost convention in accordance with the Accounting Standards specified under Section 133 of the Act and the accounting standards issued under the companies (accounting standards) rules, 2006.

1.1. Income and Expense Recognition:

(a) The Party recognizes both revenues and expenses under the accrual basis of accounting.

9. Uses of estimates:

The presentation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities as on the date of financial statements. The estimates and assumptions used in the financial statements are based upon the management believes that the estimates use in the preparation of the financial statements are prudent and reasonable. Although these estimates are based on the managements best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period.

10. Provision for taxation & deferred tax reported for the period:

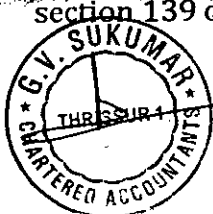

Provision for Taxation is made on the basis of the estimated tax liability with adjustment for deferred tax in terms Accounting Standard 22 issued by the Institute of Chartered Accountants of India. Deferred tax is recognized on timing difference, being the difference between the taxable income and accounting income that originate in one period and being capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rate and the tax laws enacted or subsequently enacted as at the reporting date. Deferred tax liabilities/(assets) are recognized for all timing differences. Deferred tax asset in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets and liabilities are offset if such terms relate to taxes on income levied by the governing tax laws and the Party (JACOB) is a legally enforceable right for such set off.

INDEPENDENT AUDITOR'S REPORT

To,

The Party leader/General Secretary/Treasurer,
KERALA CONGRESS(JACOB)
State committee office:
Ward XIII, Building 346, T.B Road, Kottayam-686001, Kerala.

Report on the financial statements

I have audited the attached Balance Sheet of **KERALA CONGRESS(JACOB)** (hereinafter referred to as the party), as at **31st March 2019**, and also the Income and Expenditure Account, Cash Flow Statement for the year ended on that date annexed thereto including notes to the Financial Statements and other explanatory information [hereinafter referred to as "the Financial Statements".

Management's responsibility for the financial statements

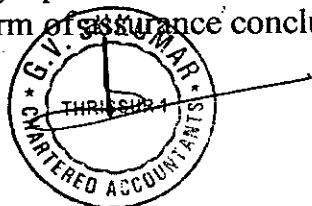

These financial statements are the responsibility of the Political Party's managing committee. The Political Party's managing committee is responsible for the matters stated in financial statements with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the political party in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the applicable Acts, regulations and Rules for safeguarding the assets of the political party and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. Thus, management is also responsible for overseeing the entity's financial reporting process.

Information Other than the Financial Statements and Auditor's Report Thereon

The management is responsible for the other information. The other information comprises any information but does not include the Financial Statements and auditor's report thereon.

My opinion on the Financial Statements does not cover the other information and I do not express any form of assurance conclusion thereon.

**CA. SUKUMAR GV, Bsc, FCA,

In connection with my audit of the Financial Statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

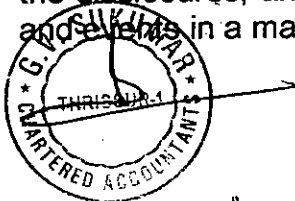

If based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Auditors' responsibility

My objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

Mob-8921428006, MOB:9388554105

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. I consider quantitative materiality and qualitative factors in

- (i) Planning the scope of my audit work and in evaluating the results of my work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Qualified Opinion

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section below, In my opinion, and to the best of my information and according to the explanations given to me, the said financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Political Party as at **31st March 2019**;
- b) in the case of the Income and Expenditure Account, of the Surplus/ (Deficit) year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis of qualified opinion

- Since the audit report and audited financial statements for the financial year 2016-17 are not available for verification, I am unable to comment anything on the genuineness or authenticity of the opening balances or figures in the financial statements for the financial year 2017-18.
- Some of the income and expenses are materially supported by internal vouchers/bills.

- The Physical verification of Fixed assets, stock, and Cash in hand has not been done by me. In respect of their balance as on 31st March 2019, I have relied on their balances as reflected in the books of accounts of the party.

Emphasis of matter

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no matters to communicate under this para in my report except the following.

- Refer to Clause 11 of the significant accounting policies attached with the financial statements.

My report is not qualified in respect of the above matters.

Other matters

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no other matters to communicate under this para in my report.

Report on Other Legal and Regulatory Requirements

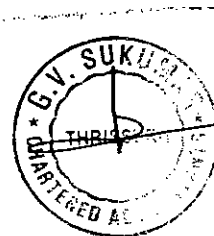

Further, Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I report that:

- I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purposes of my audit;
- In my opinion, proper books of account have been kept by the Political Party so far as appears from my examination of those books (~~and proper returns adequate for the purposes of my audit have been received from the branches not visited by me~~);
- The financial statements dealt with by this report are in agreement with the books of account.

GENERAL INFORMATION ABOUT THE PARTY.

Kerala Congress (Jacob) is a regional political party in the Indian state of Kerala. It is a faction of Kerala Congress founded by the former minister the late T. M. Jacob who has held portfolios like Education, Irrigation, Culture and Civil Supplies in the Kerala Legislative Assembly.

FORMATION OF THE PARTY

The Kerala Congress (Jacob) faction was born in 1993 when T. M. Jacob and his supporting MLAs – Johnny Nellore, Mathew Stephen and P. M. Mathew – decided to split from the Kerala Congress (M) party led by former Minister K. M. Mani following difference of opinion. P. M. Mathew and Mathew Stephen later returned to their former party, Kerala Congress (M). Kerala Congress (Jacob) has its strongholds in the eastern part of Ernakulam district, such as Piravom, Kothamangalam and Kuthattukulam, and in certain areas in the Alappuzha, and Trivandrum districts. Johnny Nellore and a few members left the party on March 7, 2020 and joined the Joseph group. After Johnny Nellore's exit, Vakkanad Radhakrishnan[3] was elected as the new Chairman of Kerala Congress (J) in the party meeting that was held on June 26, 2020 at Kottayam.

HISTORY OF THE PARTY

From its inception on 16 December 1993, Kerala Congress (Jacob) was an alliance member of the Indian National Congress-led United Democratic Front (India) (UDF). In 2005, K.C.(Jacob) left the UDF following differences with the new Chief Minister, Oommen Chandy, and dissolved into the newly formed Democratic Indira Congress (Karunakaran) party led by former Chief Minister K. Karunakaran. DIC (Karunakaran) had been widely expected to forge an alliance with LDF for the 2006 assembly elections but instead it entered into an understanding with UDF. Both T. M. Jacob and Nellore lost in the elections, from Piravom and Muvattupuzha constituencies respectively. In 2006 September, following differences with the party President K. Muraleedharan, son of K. Karunakaran, T. M. Jacob and his supporters split from DIC(Karunakaran) and revived the Kerala Congress (Jacob) party. They were welcomed back by the Congress-led UDF after a period of hesitation. In 2011 Kerala Legislative Assembly elections, T. M. Jacob reclaimed his MLA status from Piravom by defeating M. J. Jacob of the LDF. However, the party's other candidate, Nellore, lost the election in the Angamaly constituency to Jose Thettayil of the LDF. T. M. Jacob became a minister in the newly elected UDF Ministry led by Oommen Chandy, handling the Food & Civil Supplies portfolio. T. M. Jacob died on 30 October 2011. Following this, his son, Anoop Jacob, who had been State President of Kerala Youth Front (Jacob), was nominated by the party and UDF to contest the Piravom assembly seat, earlier represented by his father. He won the by-election by a margin of 12070 votes, defeating M. J. Jacob. The results were out on 21 March 2012. UDF has announced that Anoop will be made a Cabinet Minister.

INDEPENDENT AUDITOR'S REPORT

To,

The Party leader/General Secretary/Treasurer,
KERALA CONGRESS(JACOB)
State committee office:
Ward XIII, Building 346, T.B Road, Kottayam-686001, Kerala.

Report on the financial statements

I have audited the attached Balance Sheet of **KERALA CONGRESS(JACOB)** (hereinafter referred to as the party), as at **31st March 2018**, and also the Income and Expenditure Account, Cash Flow Statement for the year ended on that date annexed thereto including notes to the Financial Statements and other explanatory information [hereinafter referred to as "the Financial Statements"].

Management's responsibility for the financial statements

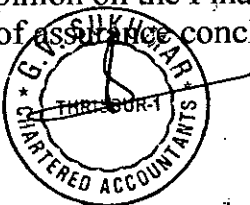

These financial statements are the responsibility of the Political Party's managing committee. The Political Party's managing committee is responsible for the matters stated in financial statements with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the political party in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the applicable Acts, regulations and Rules for safeguarding the assets of the political party and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. Thus, management is also responsible for overseeing the entity's financial reporting process.

Information Other than the Financial Statements and Auditor's Report Thereon

The management is responsible for the other information. The other information comprises any information but does not include the Financial Statements and auditor's report thereon.

My opinion on the Financial Statements does not cover the other information and I do not express any form of assurance conclusion thereon.

**CA. SUKUMAR GV, Bsc, FCA,
CHARTERED ACCOUNTANT**

In connection with my audit of the Financial Statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

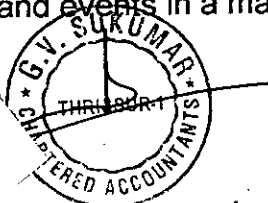

If based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

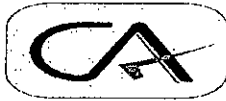

Auditors' responsibility

My objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

Mob-8921428006, MOB:9388554105

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. I consider quantitative materiality and qualitative factors in

- (i) Planning the scope of my audit work and in evaluating the results of my work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Qualified Opinion

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section below, In my opinion, and to the best of my information and according to the explanations given to me, the said financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Political Party as at **31st March 2018**;
- b) in the case of the Income and Expenditure Account, of the Surplus/ (Deficit) year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis of qualified opinion

- Since the audit report and audited financial statements for the financial year 2016-17 are not available for verification, I am unable to comment anything on the genuineness or authenticity of the opening balances or figures in the financial statements for the financial year 2017-18.
- Some of the income and expenses are materially supported by internal vouchers/bills.

- The Physical verification of Fixed assets, stock, and Cash in hand has not been done by me. In respect of their balance as on 31st March 2018, I have relied on their balances as reflected in the books of accounts of the party.

Emphasis of matter

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no matters to communicate under this para in my report except the following.

- Refer to Clause 11 of the significant accounting policies attached with the financial statements.

My report is not qualified in respect of the above matters.

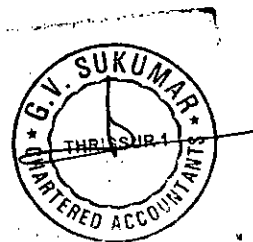

Other matters

Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I have determined that there are no other matters to communicate under this para in my report.

Report on Other Legal and Regulatory Requirements

Further, Except for the possible effects of the matters described in the **BASIS FOR QUALIFIED OPINION** section above, I report that:

- I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purposes of my audit;
- In my opinion, proper books of account have been kept by the Political Party so far as appears from my examination of those books (and ~~proper returns adequate for the purposes of my audit have been received from the branches not visited by me~~);
- The financial statements dealt with by this report are in agreement with the books of account.

GENERAL INFORMATION ABOUT THE PARTY.

Kerala Congress (Jacob) is a regional political party in the Indian state of Kerala. It is a faction of Kerala Congress founded by the former minister the late T. M. Jacob who has held portfolios like Education, Irrigation, Culture and Civil Supplies in the Kerala Legislative Assembly.

FORMATION OF THE PARTY

The Kerala Congress (Jacob) faction was born in 1993 when T. M. Jacob and his supporting MLAs – Johnny Nellore, Mathew Stephen and P. M. Mathew – decided to split from the Kerala Congress (M) party led by former Minister K. M. Mani following difference of opinion. P. M. Mathew and Mathew Stephen later returned to their former party, Kerala Congress (M). Kerala Congress (Jacob) has its strongholds in the eastern part of Ernakulam district, such as Piravom, Kothamangalam and Kuthattukulam, and in certain areas in the Alappuzha, and Trivandrum districts. Johnny Nellore and a few members left the party on March 7, 2020 and joined the Joseph group. After Johnny Nellore's exit, Vakkanad Radhakrishnan[3] was elected as the new Chairman of Kerala Congress (J) in the party meeting that was held on June 26, 2020 at Kottayam.

HISTORY OF THE PARTY

From its inception on 16 December 1993, Kerala Congress (Jacob) was an alliance member of the Indian National Congress-led United Democratic Front (India) (UDF). In 2005, K.C.(Jacob) left the UDF following differences with the new Chief Minister, Oommen Chandy, and dissolved into the newly formed Democratic Indira Congress (Karunakaran) party led by former Chief Minister K. Karunakaran. DIC (Karunakaran) had been widely expected to forge an alliance with LDF for the 2006 assembly elections but instead it entered into an understanding with UDF. Both T. M. Jacob and Nellore lost in the elections, from Piravom and Muvattupuzha constituencies respectively. In 2006 September, following differences with the party President K. Muraleedharan, son of K. Karunakaran, T. M. Jacob and his supporters split from DIC(Karunakaran) and revived the Kerala Congress (Jacob) party. They were welcomed back by the Congress-led UDF after a period of hesitation. In 2011 Kerala Legislative Assembly elections, T. M. Jacob reclaimed his MLA status from Piravom by defeating M. J. Jacob of the LDF. However, the party's other candidate, Nellore, lost the election in the Angamaly constituency to Jose Thettayil of the LDF. T. M. Jacob became a minister in the newly elected UDF Ministry led by Oommen Chandy, handling the Food & Civil Supplies portfolio. T. M. Jacob died on 30 October 2011. Following this, his son, Anoop Jacob, who had been State President of Kerala Youth Front (Jacob), was nominated by the party and UDF to contest the Piravom assembly seat, earlier represented by his father. He won the by-election by a margin of 12070 votes, defeating M. J. Jacob. The results were out on 21 March 2012. UDF has announced that Anoop will be made a Cabinet Minister.

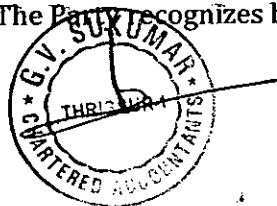

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORM INTEGRAL PART OF THE ACCOUNTS.
